1.2 Eligibility

- a. The same rules shall apply equally for both men and women
- b. Any financial bowler affiliated with BV for the season and eligible to play pennant for the Club shall be entitled to enter and take part in any or all Club Championships or other Club events, subject always to the rules which may be in force at the time and provided the member conforms to the rules for Championship Play laid down by the BC.
- c. Werribee Bowls Club Social members are ineligible to compete in such events.
- d. Entries for Club Championship events shall close at a designated time on a designated date. Such time and date to be advertised on the bowls notice board, Club website, TeamApp and in the WBC Handbook – subject to availability at time of going to print.
- e. Where eligibility for a Club event is based on pennant ranking, the Werribee Bowls Club Selection Committee shall establish a player's ranking of handicap and eligibility for such event e.g. (Hosking Handicap).
- f. A small entry fee shall be charged for each event which shall be determined each year by the BC.
- g. Tournament fees must be paid prior to commencement of any game played.

1.3 Tournament/Club Championship Schedule

- a. The scheduling of any tournament shall depend on a minimum of 8 entries for the event to proceed with the exception being ladies & men singles club championships. The BC will determine whether there are sufficient entries to run each event.
- b. Where numbers are less than originally scheduled, the BC may reduce the number of rounds for the tournament despite the number of rounds displayed on the entry form sheet. In such event the BC will prominently display the amendment to the Draw Schedule on the Notice Board and TeamApp.
- c. The BC may cancel a tournament where the number of entries is inadequate.

1.4 Dates for Tournaments/Club Championships

- a. The BC shall allocate dates for each round of a tournament and such dates shall be shown in the Club entry sheet as a guide. However, where in any tournament it subsequently becomes necessary to amend the date of any round or reduce the number of rounds such change shall be prominently displayed on the Draw Sheet Schedule.
- b. Where a tournament has set dates for each round, those dates shall be adhered to unless changed by the BC owing to a reduction in player numbers or an unforeseen situation such as inclement weather.
- c. In such event, details of such change and amended playing dates shall be displayed on the Draw Sheet Schedule.
- d. No player, team shall arrange to play their match on an alternative green other than that specified in the tournament rules. Such consent will only be granted by the Bowls Committee.
- e. Where rounds in any tournament are not set down for fixed dates, but rather are “to be completed” by certain dates (i.e. TBC matches), it shall be the responsibility of both players/teams in each match to contact their opponents to arrange a suitable playing date within the time limit for the respective round.
- f. Where a match has not been played by the scheduled date and the BC considers one player/team is at fault, that player/team will be deemed to have forfeited the match to their opponent.
- g. Should unforeseen circumstances have caused a delay beyond the scheduled date for a particular round and neither player/team is at fault, the BC may grant an extension provided such extension does not prejudice the playing of the ensuing round. However, the BC has the right to refuse to grant an extension where the BC believes the match could have been played before the final date for the round.

1.5 Protection

- a. If any Club events are scheduled to be played on the same date as any of the following events run by the Metro West Region, Bowls Victoria or Bowls Australia, no player engaged in such events will be penalised in a lower graded championship by reason of absence through participation in a higher graded event. If the event cannot be rescheduled, then the player has the right to decide which event to contest. Any events, other than the above, do not qualify for protection e.g. RSL, Police games or any other Club Tournaments.
- b. Players seeking protection must apply to the BC within five days prior to the Club event. If protection is granted, and so as not to disrupt club schedules any further, players are to complete their club round within five days of completion of their higher level of commitment.

1.6 Duration & Method of Play

- a. The same rules apply equally to both Ladies and Men.
- b. In Club Tournaments the duration and conditions of play shall be in accordance with BV rules.
